

Tusk Gladiator Axle Warranty Info

Tusk Gladiator Axles (excluding boots) are warranted to the original purchaser for a period of 18 months from the date of purchase.

If the axle fails for any reason within 60 days from the date of purchase, Tusk will send a replacement axle free of charge.

If the axle fails after 60 days, but within the first 18 months of the date of purchase, the purchaser must pay a flat \$35 replacement fee.

In all warranty cases, the purchaser must provide proof of purchase and proof of breakage.

Some warranted (broken axles) may be required to be sent back for inspection.
